SUMMARY

I am Motivated and adaptable individual skilled in web design, software development, and multiple programming language. Experienced in front-end and back-end technologies including HTML, CSS, JavaScript, PHP, and MySQL, with strong data analysis skills.

INTERSHIP EXPERIENCES

Full Stack Web and Mobile Application, MOVICLOUD LABS PRIVATE LIMITED-Dindigul 01/2026 to 04/2026

Developed responsive and user-friendly frontend interfaces for web and mobile applications using modern technologies.

Assisted in designing reusable UI components to enhance application performance and maintainability.

Gained hands-on experience in full stack application development and modern frontend workflows.

EDUCATION

Bachelor of Technology in Information Technology, 2025

M. Kumarasamy College of Engineering

Current CGPA: 6.9

Higher Secondary School, Cheran matric higher secondary 2023

school

Percentage: 75.5

Secondary School Leaving Certificate, Cheran matric higher 2021

secondary school

Percentage: pass

PROJECT WORK

Continuous Health Monitoring Using Wearable Sensors

Description: Developed a continuous health monitoring system using wearable sensors with Python and Dart to track patient vitals in real time.

Enabled 24/7 data analysis to assess health conditions and support timely medical insights.

Live Bus Tracking System with Real Road Navigation and Cloud-Based Alerts

Description: Developed a live bus tracking system with real-time road navigation to provide accurate location updates and route optimization.

Integrated cloud-based alerts to notify users of arrivals, delays, and route changes efficiently.

Career Guidance

Description: Created an AI-powered system that compares multiple models and provides intelligent recommendations based on user input and preferences.

TECHNICAL SKILLS

Languages:

Java

Web:

HTML, CSS, JavaScript

Databases:

SQL

Tools & Platforms:

Figma, Canva, Antigravity

SOFT SKILLS

- Positive Thinker
- Team work

Willingness to learn

- Adaptability
-

ACHIEVEMENTS

Achieved silver badge in human computer interaction (in English) Conducted by NPTEL IIT - Kharagpur

CERTIFICATIONS
